

Walney School

Uniform Policy

At Walney School, we have very high expectations of our students and their personal presentation. It is our expectation that every student is equipped and ready for learning and wearing full school uniform. This shows the ambitious standards and pride we feel about our school community. All students should wear uniform to and from school, during the school day and when participating in school-organised events. It encourages a sense of belonging, an identity and ensures equality for all students.

When you accept a place for your child at Walney School, you agree to support the school's uniform policy. The elements of the uniform policy are non-negotiable, and the school retains the right of final decision on any issue relating to this policy.

They will be expected to take part in the lesson by coaching, observing, contributing verbally etc. Parents/carers should also send a message via Edulink to reception or their child's PE teacher to let the PE staff know if their child is unable to participate in PE that day.
